San Diego County Regional Airport Authority (SDCRAA) Subcommittees

- Airport Advisory Committee – long term visionary planning
- Airport Technical Advisory Group – land use planning
- Airport Noise Advisory Committee – noise mitigation
- Noise Technical Advisory Group – FAR Part 150 study

GOALS & OBJECTIVES

Objectives:

- To effectively present PCPB's perspectives, concerns and positions regarding San Diego International Airport (SDIA) master plans (short & long term) including existing facilities in operation. Accurately communicate facts to the Peninsula Community regarding SDIA Master Plan Capital Improvement Projects (CIP) & updates to Land Use Compatibility Plans including, but not limited to expansions, safety, traffic, noise, over-flights, easements & air space protection that directly affect our quality of life.
- Take an active role in all formal and informal SDCRAA discussions regarding future relocation plans for SDIA. Promote relocation as the only long term solution.
- Provide recommendations and solutions to SDCRAA board and City of San Diego Planning Department on any substantive updates conflicting with land use compatibility policy in the vicinity of the SDIA/Lindbergh Field.
- Review & provide constructive comment on all pertinent materials including Environmental Impact Reports and Air Installations Compatibility Use Zone updates.
- Focus all future meetings on collaborative and constructive problem solving with all governing bodies and stakeholders.

Goals:

- Work cooperatively with all SDCRAA board and subcommittee representatives.
- Consistently attend all meetings.
- Consistently promote public outreach of all factual and material matters.
- Provide balanced constructive interaction to ensure community awareness and dialogue.
- Secure a PCPB member position on SDIA Curfew Violation Review Panel.
- Secure a PCPB member position on SDCRAA Airport Advisory Committee
- Adopt a Peninsula community noise remediation policy to present to SDCRAA.
- Establish alliances with organizations/stakeholders directly involved in SDIA matters including; City of San Diego, County of San Diego, OBCPB, MHCPB, LJCPB, PBCPB, North Bay PAC, CAL-TRANS, MTS, Chamber of Commerce, EDC, SANDAG, & FAA.
- Collaborate with alliances on all future major SDIA CIP's proposed to ensure mitigation measures are implemented to minimize impact on our community.
