

PCPB Airport Committee action items
Approved by Peninsula Community Planning Board
June 19, 2008

1. **SDIA 9th Title 21 Variance Application** - Information posted on PCPB Airport Committee webpage. PCPB to receive Administrative Law Judge decision 9/18/07 and SDIA timeline for 10th application. Committee confirmed 2004-2005 PCPB members received document from SDCRAA and were negligent during review period of 9th variance application to ensure outreach and public educate regarding noise variance that allows SDIA to operate at Lindbergh. Failure of previous board members damaged PCPB's ability to comment on SDIA noise and intervene in SDIA 9th Title 21 Variance Application.
2. **MD-80 Fleet Mix at SDIA** - PCPB to adopt a "Fly Quiet-Go Green" program to promote and recognize aircraft carriers operating out of SDIA who replace old MD-80's with new generation of aircraft (quieter, cleaner and more efficient). Utilize SDIA Noise Mitigation Monitoring equipment to motivate and promote change.
3. **FAR Pat 150 Study** - Information http://www.san.org/airport_authority/environmental_affairs/airport_noise/part150.asp hearing June 26, 2008 posted on PCPB Airport Committee webpage and Point Loma Hervey Library.
4. **PCPB representation on SDIA Curfew Violation Review Panel** - nominated Mark Hoppe to be the "ex-officio" member. Letter to request SDCRAA approval to be presented to PCPB 6/19/08.
5. **Destination Lindbergh (SDIA ultimate build out)** - Information on SDCRAA Ad Hoc Airport Regional Policy Committee meetings posted on PCPB Airport Committee webpage. PCPB letter to express opposition to any concept considering a second runway.
 - o **Concept "A" series (3)** - Adding South Side Gates & new linear Terminal 1 / Extension to Taxiway "C"
 - o **Concept "B" series (2)** - Adding parallel Taxiways - north & south / reconfigure Terminal 2 adding new linear Terminal 1
 - o **Concept "C" series (3)** - Terminal Relocation to North / adding new south parallel runway
 - o **Concept "D" series (1)** - Relocate existing Runway North / add New Runway South / replace T1 with linear & replace T2 with Satellites @ NTC
 - o **Concept "E" series (2)** - Add new parallel Runway North / New Taxiway parallel south Taxiway B / All new terminals south
 - o **Concept "F" series (2)** - Add new north runway with parallel taxiways / Relocate all Terminals to North
6. **SDCRAA Public Outreach** - schedule for July and August attached
