Re: Peninsula Community Planning Board – SDCRAA subcommittee representation

Dear Mr. Gleason and Ms. Bowens:

PCPB is committed to remaining active in SDCRAA matters affecting our community. We appreciate Ms. Bowens' introductions to SDCRAA Staff with Mr. MacCulloch and Mr. Khalil on June 30th. At SDCRAA meeting July 1, 2010 Mr. Khalil presented PCPB new airport subcommittee composition with its goals/objectives and a formal comment to SDIA Master Plan SEIR approved by PCPB June 17th.

Mr. MacCulloch is an experienced aviator, whose primary focus will be SDIA air-side operations (safety deficiencies and noise mitigation) and Mr. Khalil is an experienced developer, whose primary focus will be airport land use compatibility planning (entitlements). They are committed to sharing **SDCRAA subcommittee responsibilities** as follows:

- **Airport Noise Advisory Committee** – R. MacCulloch (primary) & S. Khalil (alternate)
- **Airport Advisory Committee** – S. Khalil (primary) & R. MacCulloch (alternate)
- **Airport Technical Advisory Group** – S. Khalil (primary) & R. MacCulloch (alternate)

Please reflect these changes to PCPB representation on SDCRAA subcommittees immediately. For information on PCPB Airport Subcommittee visit www.pcpb.net/airport Thank you for your attention.

Respectfully,

Charles J. Mellor
PCPB Chair
