LIST ANY EDUCATION/EXPERIENCES WHICH YOU FEEL QUALIFY YOU FOR THIS JOB:
B.S. in Electrical Engineering. Experienced in expansion of electrical power grid in San Diego County for the past 32 years with minimal impact on residential neighborhoods. Skilled in planning, development, and distribution of power to residential and commercial neighborhoods.

PLEASE SHARE YOUR INVOLVEMENT (in YRS.) OR MEMBERSHIPS IN LOCAL COMMUNITY/BUSINESS GROUPS:

Board member of a charitable organization to award scholarships to deserving high school students (30 years); Board member of the local Greek Orthodox Church (32 years); Organizer and promoter of multi-cultural festivals and events in the San Diego area; Active in SDG&E programs to conserve power usage.

PLEASE SHARE YOUR SPECIAL INTERESTS, EXPERTISE OR PHILOSOPHY AS IT RELATES TO THE PENINSULA COMMUNITY:

Having been a Peninsula resident since 1985, I have witnessed uncontrolled growth, congestion, and a decreased quality of life through the years. I would like to cooperate with local government agencies to curb growth, reduce further commercial development on the Peninsula and keep our neighborhood safe and clean. I have also witnessed the PCPB favor commercial development and growth, promote developer interests rather than community interests, and allowing the Liberty Station developer to renege on original commitments by foisting them off on others. I would like to serve on the Board with the resident's best interest at heart.

PLEASE SHARE ANYTHING IN PARTICULAR YOU WISH TO ACCOMPLISH AS A MEMBER OF THE BOARD: Prevent commercial and special interests from infiltrating the Board, and promote the interests of Peninsula residents.
