Point Loma is a wonderful place to live, with exceptional people and fantastic neighborhoods. My son graduated from Point Loma HS, and my grandson attended Silver Gate ES and Dana MS.
I am deeply driven to serve our community and preserve our neighborhoods. I lead several organizations that protect our community, advocate for our interests, and seek to keep San Diego and Point Loma wonderful places to live, raise a family, and thrive.
I have some expertise in housing and planning, and have been published on the topic in local news outlets. I foster collaboration with other communities across San Diego that have similar problems, and support our joint efforts to push back against excessive development that imperils our neighborhoods. I was involved in revisions to the Land Development Code, advocating against SBs 9, 10 and 79, and in preserving the Coastal 30 foot height limit. I have worked with litigators to protect PL, and with political candidates to reshape the laws that threaten housing and affordability, create homelessness, and public safety.

5. Share anything you wish to accomplish as a member of the board:

Continue our work to improve land use, traffic, transportation, and public safety while advocating for better parks, recreation facilities, and infrastructure maintenance and improvements needed to maintain and enhance life in Point Loma. We have a great community and I would be proud to continue to help make it better!
